PuraSan® Health & Wellness is a chlorine, alcohol and quat free, skin compatible, ready-to-use cleaner disinfectant specifically developed for use in Health & Wellness and Thalasso Therapy environments. Usable on almost every washable hard surface. Very suitable convenient hygiene in for example fitness facilities, spa’s, solaria, sauna’s et cetera.

**Features**
- Basic spectrum disinfection
- Causes no antimicrobial resistance
- Cleans and disinfects in one
- Microfiber compatible
- Extremely biodegradable
- Worker and consumer safe
- Hi-Speed H₂O₂™ based
- NO VOCs, alcohols, chloride or quats

**Benefits**
- Excellent spreading & wetting
- Extreme convenience
- Eucalyptus & Mint fragranced
- Ready to use
- Good cleaning performance
- Effective deodorizer
- No residues, streakless drying

**SUGGESTED USE**
For use in Health & Wellness facilities such as fitness facilities, spa’s, solaria, sauna’s, athletic facilities.

PuraSan® Health & Wellness is intended to be used by the guests of health & wellness facilities, to create their own hygienic environment when working out or relaxing. Especially in an environment where hygiene is such a critical component in the overall perception of a facility, PuraSan® Health & Wellness is the perfect instrument. PuraSan® Health & Wellness is a hygiene concept that makes true hygiene visible by using wall or equipment mounted bottle holders.

Use daily on the following hard, non-porous environmental surfaces: vinyl, plastic surfaces, glazed ceramic, porcelain, chrome, laminated surfaces, doorknobs and handles, walls, ceilings, tables, chairs, countertops, telephones, fixtures, glazed tile, toilet exteriors, urinals, toilet bowls, urinal exteriors, showers, tubs, sinks, shower rooms, and locker rooms.
